Trademark and Service Mark Questionnaire

What is the name, logo and/or slogan (mark) you want to protect with a federal trademark registration ?

What are the goods to which the mark is (or will be) applied, or the services in connection with which the mark is (or will be) used? If the mark identifies a company or other entity, what line of business is that company in ? _____

For assistance with the goods and/or services, check the USPTO Goods/Services Manual.
<http://tess2.uspto.gov/netahtml/tidm.html>

If in use, when was the name, logo and/or slogan first used for a product or service that is actually being sold or licensed ?

If you are registering a logo, please attach/send a "jpg" format image file of the logo.

What is the full name of the applicant? If the applicant is a legal entity (company, LLP, etc) what is the legal name of the entity, the entity type and the state of operation ?

What is the address and phone number to applicant ?

What is the commercial address of the business, if different from above.

Do you any other relevant information or comments ?
